

## Instruction

You will read 1 prompt and be asked a few questions. This HIT should take approximately 2 minutes. Please pay attention, thanks!

By answering the following questions, you are participating in a study being performed by cognitive scientists in the University of Chicago Department of Psychology. If you have questions about this research, please contact us at [callab.uchicago@gmail.com](mailto:callab.uchicago@gmail.com). You must be at least 18 years old to participate. Your participation in this research is voluntary. You may decline to answer any or all of the following questions. You may decline further participation, at any time, without adverse consequences. Your anonymity is assured; the researchers who have requested your participation will not receive any personal information about you. Note however that we have recently been made aware that your public Amazon.com profile can be accessed via your worker ID if you do not choose to opt out. If you would like to opt out of this feature, you may follow instructions available [here](#).

Imagine you are visiting several new countries for the first time. People in these countries will tell you something about themselves. In this game, you'll be introduced to some statements, and be asked to make judgments about them.
