Instruction

In this task you will be learning about people who live in several countries that you have never been to before. You can see a map of them below.

Someone from each country will tell you something about the people who live there, and then you will be asked to make a judgment about it.

big_cities

You are visiting a country called Akar.

One of the Akarians tell you: "Akarians like big cities."

What proportion of **Akarians** do you think like big cities?

You can drag the slider bar below to show your results.

0%	100%

computer_preference
